An exciting evening in Carrollton, Mo.

The Carrollton Area Economic Alliance would like to invite you to Participate in our Annual Lighted Christmas Parade on Friday November 29, 2013. Your entry is vital to the success of our parade. Your entry can be Floats, your School Band, Sports Teams, School Clubs, School Royalty, Churches, Civic Clubs, 4-H Clubs, Girl & Boy Scouts, Businesses, Family's, Antique Tractors, Cars or something we have never seen before! This is a great way to advertise and be involved in the community! Please fill out the entry form on the back and return it to the Chamber office by Monday November 25, 2013 so we have ample time to advertise our event.

The Chamber asks that you turn your headlights off and have no Santa on your float. We have contacted Santa and he will be the last entry in the Holiday Parade!!

Thank You,
